2.5 Misuse and Copyright Registration: Users are permitted to use Ovani Sound's music or sounds in copyrighted productions. However, users are explicitly prohibited from registering these productions in a manner that may trigger copyright strikes or claims against other users who legitimately use the same music or sounds from Ovani Sound. This includes, but is not limited to, registering a copyrighted production in a way that falsely claims exclusive ownership or rights to the incorporated music or sounds. If users choose to register their copyrighted productions containing Ovani Sound's music or sounds, they must ensure that such registration does not unfairly restrict or claim ownership over the original music or sounds, impeding other users' rights to use them in compliance with these Terms. Ovani Sound reserves the right to take appropriate action, including but not limited to suspending or terminating the account of any user found to be misusing the music or sounds in a manner that results in unjust copyright claims against other users.
